Tea/Coffee and Biscuit

When playing home matches, each member of the team will pay 50p to cover themselves, and their opponents, for tea/coffee and biscuit. Supporters of the away team will be provided with refreshments free of charge. For those team members who wish to pay upfront, rather than on a match by match basis, may do so based on the number of home matches. A list of such members will be maintained in the competition hut. At all other times club members will be charged 25p **per cup**.

Membership Cards

Please note that Membership Cards will be available for collection at the competition hut. If you wish to have it posted to you then please include a stamped addressed envelope.
